PLEASE NOTE

1. There shall be a physical hearing in court GC on the ground floor of the court building.
2. Practitioners are advised to promptly create an online bundle in preparation for the hearing of their matters to avoid removals from the roll and last minute duplication of matters between the CaseLines and Court Online system.
3. It is suggested that practitioners create bundles on Court Online so that court documents can appear on CaseLines. For assistance in that regard, please contact the Court Online call centre (010 493-2600).

4. Due to an unresolved technical problem – Judge Windell is not able to access and view court bundles when making use of the Court Online system.

5. It is the responsibility of counsel to ensure that the draft order that is uploaded electronically is in the correct format. Kindly ensure that the names of the presiding judges appear on the order (heading of the order to be changed from Draft Order to Court Order or Order).

6. Updated practice notes must be filed timeously.
