REGISTRAR: TINYIKO CHAUKE – tichauke@judiciary.org.za

DIRECTIONS

1. The unopposed matters set out below will be called in open court in the order that they appear on the roll at **10am on Monday 20 April 2026**. Counsel must provide a draft order in hardcopy.

2. The opposed matters set out below will be called in open court in the order that they appear on the roll at **10am on Tuesday 21 April 2026**. In each of these matters, the attorney for the applicant is directed to deliver to the presiding Judge's Registrar, by no later than **noon on Thursday 16 April 2026**, a hardcopy set of those papers on the court file **that the parties agree are necessary** for the determination of the matter. The papers must be paginated as they appear on Caselines, and must be bound in a lever-arch file or similar file. **Only the papers strictly necessary to determine the application to be decided should be provided in hardcopy. Practitioners refusing to engage in efforts to reduce the volume of material placed before the presiding Judge risk an appropriate sanction, including a personal costs order.**

3. In each opposed matter, the hardcopy papers must be accompanied by a **joint practice note**. In matters SJ3 to SJ8, one consolidated joint practice note must be filed, dealing with the issues arising in each matter, as well as the issues common to all six matters. **A copy of the Deputy Judge President's directive setting the matters down must also forthwith be delivered to the presiding Judge's registrar.**
