All parties should strictly adhere to the provisions of the relevant paragraphs of the **Judge President's latest Practice Directive** and any other subsequent amendments/changes dealing with Insolvency matters.

1. **The default mode for hearing of all Insolvency Court matters before Hon. Judge Noko will be *virtual (Ms Teams)* and parties are directed to have their video *background blurred* during the proceedings/while addressing the Court. The matters will be heard as follows:**

   2.4 Counsel is reminded that a practice note is necessary for each occasion on which an application appears on the roll
3. All the material documents in each matter are made available to the senior presiding Judge on the Caselines system. Matters currently unavailable on Caselines are marked as such below. The fact that a matter is not indicated as being inaccessible on Caselines does not relieve the parties' legal representatives from the duty to ensure that their matter is accessible to the senior Judge by the prescribed deadline.
4. **Failure to comply with any of the above will result in matters being removed or struck off from the roll for non-compliance.**
5. Court will commence at **10:00am.**
