Safari - Legal Practitioner Compliance Data - a Curse or Blessing - Safari 12 July 2022

The Safari team have challenged a team of 7 experts to set aside a day (12 July 2022 at the Indaba Hotel) and inform us at the SAFARI into Data about "Seeing our data Differently" and talk about "Legitimate further Processing of our data". We have had the opportunity to listen to Brian Civin from AfriGIS on the future of Spatial Data and the value that "heat maps" can unlock in your data. Brian agreed to present this awesome enlightening eye-opener at the SAFARI. We have Dr Ina Meiring to shed some light on the topical issue of Legitimate Further Processing of Data - what is permissible and what not. Dr Motse Tsogang will shed some light on the role of the Data Steward as opposed to an Information Officer.

We once again can offer your members an opportunity to participate in our SAFARI at a discounted price of R575 ex VAT. Our normal price is R1,175 ex VAT, a discount of 51%. Simply email viv@jaa.org.za for a booking promotional code and we will send you a booking form with a promotional code to get the discounted price.
