Road Accident Fund – Urgent application launched to extend moratorium on execution of court orders

We would be pleased if you could kindly distribute the same to all the respective interested parties, and the profession for consideration and comment. The PIC committees should consider whether it intends to oppose the application, as it is potentially prejudicial to the victims of Road Accident Fund.

Email from Sunelle Eloff -

We have been instructed by the RAF to launch an urgent application to have the previous court order which suspended payment to plaintiffs for 180 days, extended.

This will impact all attorneys doing RAF work. The matter is in court on 7 March 2023.

Please circulate this Rule16A notice and application to your member as soon as possible please, so firms can intervene in the proceedings should they wish to.

Members can check the status of their accounts and account balances and website access by emailing viv@jaa.org.za. If you are unsure if your account is up to date kindly email viv@jaa.org.za.

Find your High Court roll quickly and easily with the JAA website

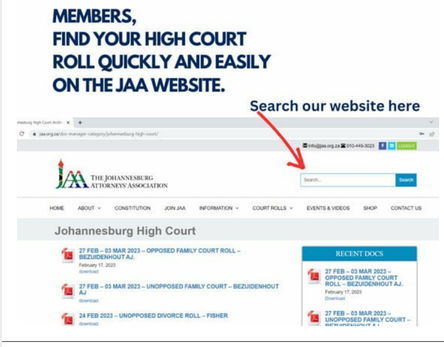
Did you know that the JAA website has a search function on our court rolls?

See arrow on the picture. Simply type in the date you are searching for, the Judges' name or what type of court roll you are looking for and this will make your search easier.

If you are searching for more detailed information, please note that we have standardised the formatting of the names of our court rolls.

Herewith, using the # as a visual to show a where you would insert a space, you can always look for a roll as follows. For example:

21#FEB#2023#-#UNOPPOSED#MOTION#COURT#ROLL#-#KEIGHTLEY#J which would then look like this:
21 FEB 2023 – UNOPPOSED MOTION COURT ROLL – KEIGHTLEY J



JAA on Social Media

Our social media profiles are updated daily with legal news, overviews and opinions. It's a great way to stay on top of the fast pace of news in Johannesburg, and an easy avenue to contact us or share your thoughts. Like, follow and share on our platforms:
