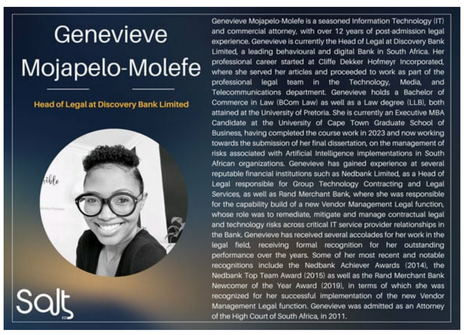
Fundamentals of Technology Contracts in Africa – March 2024



SALTed accredited short courses are here! In partnership with the Johannesburg Attorneys' Association, we have an exclusive offer for all our members to enhance your understanding of technology contracts

Introducing Genevieve Mojapelo – Molefe, Head of Legal at Discovery Bank Limited, and one of our course conveners. We are excited to share the experience and insight that Genevieve brings to this newly unfolding space.

The Johannesburg Attorneys' Association is proud to partner with the South African Legal Technology Network in bringing legal practitioners in South Africa access to high quality education focusing on technology in the legal space.

Participants should finish the course with a working knowledge of technology contracts from a practical and commercial perspective and be able to contribute meaningfully to the conclusion of technology contracts. If you are interested, click the link on the .pdf below. JAA members will receive a 30% discount that will be applied at check-out when using the link in the brochure below. The course launches on the 31st of March 2024.
