GAUTENG DIVISION, JOHANNESBURG

UNOPPOSED DIVORCE COURT ROLL – 22 MAY 2026

BEFORE THE HONOURABLE ACTING JUDGE NAIDOO AJ

Judge's secretary: ADuToit@judiciary.org.za

COURT 11C

1. All matters will be heard in open court.
2. Introductions will be done in court 11C. Legal practitioners are kindly requested not to attend the chambers of the presiding judge in terms of the new internal security practice directive.
3. Practitioners are advised to promptly create an online bundle in preparation for the hearing of their matters to avoid removals from the roll and last minute duplication of matters between the CaseLines and Court Online system.
4. An evidence affidavit (by the plaintiff and the instructing attorney) confirming the veracity and authenticity of the settlement agreement and marriage certificate is to be uploaded by no later than 16h00 on 20 May 2026.
5. Matters in which practitioners fail to upload an updated practice note timeously risk being removed or struck off from the roll.

6. Practice notes and draft orders sent by email will not be accepted. They must be accessible on CaseLines and uploaded within the stipulated timeframe.
7. All documents must be accessible on CaseLines failing which matters may be removed or struck off from the court roll. The 7-step guide for doing so is attached hereto.
8. The hearing will commence at **10:00**.
9. Matters will be called by number, but where a practitioner has more than one matter enrolled, all those matters may be called immediately after their first matter.
10. It is the responsibility of counsel to ensure that the draft order uploaded to CaseLines is in the correct format. Please ensure that the name of the presiding judge is inserted on the draft order.
11. It is suggested that practitioners insert the following prayer into their draft orders: "The marriage between the parties is dissolved by divorce".
12. The wording of the draft order must state the date on which the settlement agreement was concluded, if any, and refer to it as "X" and a copy of the signed settlement agreement (marked as "X") must be uploaded directly after the draft order.
13. Parties may upload a revised draft order together with the marked settlement agreement prior to the matter being called in court.
14. Draft orders which are not in the correct format (for example - incorrect case number; names of the parties and ID number set out incorrectly, incorrect pension fund particulars; incorrect relief sought) and settlement agreements that are not clearly identifiable will result in the delay of draft orders being signed and uploaded electronically.
