GAUTENG DIVISION, JOHANNESBURG

COURT ROOM 11E

Amended unopposed, opposed and urgent insolvency court roll for week 23 to 27 November 2026

Before the Honourable van der Walt AJ (**Judge's secretary:** ADuToit@judiciary.org.za)

Directives for unopposed and opposed applications

1. Appearances are required in all unopposed, opposed and urgent applications, which will be heard in open court on the dates and at the times stated below.
2. Introductions will be conducted in court when each application is called under the Directive Regarding Security Measures dated 17 October 2025. Practitioners and litigants are not to attend at the Judge's chambers.
3. Practitioners or litigants, as the case may be, must ensure that their files on CaseLines comply with paragraphs 7, 24 and 26 of the Revised Consolidated Practice Directive 1 of 2024 and with any other paragraphs or directives that are applicable to their matters, **by no later than 14:00 on Friday, 20 November 2026**, failing which the matters risk not being heard.
4. For unopposed applications:

- A compliant practice note succinctly setting out all pertinent information in respect of each matter must be uploaded to CaseLines and also e-mailed to ADuToit@judiciary.org.za **by no later than 14:00 on Friday, 20 November 2026.**
- A draft order setting out the precise relief sought in each matter, in Word format, must be uploaded to CaseLines and also e-mailed to ADuToit@judiciary.org.za **by no later than 14:00 on Friday, 20 November 2026**. The draft order must reflect the matter number on the roll, the date of the hearing and the judge's name (**van der Walt AJ**). If the relief sought in the draft order differs in any respect from the relief framed in the notice of motion or other pleading, or in any other draft order uploaded on CaseLines, each such difference is to be identified and explained in the practice note.
- One hard copy of the draft order is to be handed up to the judge's secretary when the matter is called in court. The heading of the draft order must be "Order" (not "Draft Order") and should not include an order for "further and/or alternative relief", unless that relief can be justified.
- Counsel will be heard in order of seniority.

5. For opposed applications:
   - Compliant joint practice notes and heads of argument must be filed under the relevant provisions of the Consolidated Practice Directive 1 of 2024, subject to the Court's discretion to condone any non-compliance if justified.
   - Heads of argument must include references to the CaseLines pagination.
   - If counsel appear with juniors, lead counsel are encouraged to consider, where appropriate, allocating part of their oral submissions to their juniors.
6. For unopposed and opposed applications, if it is known before the date of hearing that a matter is to be removed from the roll, a notice of removal must be uploaded to CaseLines and also e-mailed to ADuToit@judiciary.org.za **without delay**. If, for any other reason, it becomes unnecessary for the judge to read the papers in a matter, a letter to that effect must be uploaded to CaseLines and also e-mailed to ADuToit@judiciary.org.za **without delay**.
7. Counsel and litigants are reminded that it is their responsibility to ensure compliance with all applicable rules and directives, including this directive, and that no reliance should be placed on the failure of the roll to indicate any such non-compliance.
