24 MARCH 2021

COMPILED BY ROANNE BRAMDAW
CHIEF REGISTRAR
23 MARCH 2021

1. Enrolment dates

Current dates being allocated and average waiting periods for enrolment dates are as follows:

ROLL	DATES CURRENTLY ALLOCATED	AVERAGE WAITING PERIOD

CMC	19 April 2021	3 to 4 weeks
Civil Trial	8-10 June 2021	2 ½ months
Settlements	12 - 19 April 2021	3 weeks
Trial Interlocutory	8 April 2021	2 to 3 weeks
Opposed Motion	3 May 2021	5 to 6 weeks
Unopposed Motion (ordinary)	1 to 4 June 2021	2 months
Unopposed Divorce	7 May 2021	1 ½ month
Rule 43	19 -22 April 2021	3 weeks

- NOTE: **No** Trial Default Judgments in terms of Directive 1 of 2021 had been enrolled as yet.

2. Issuing

Issuing of new cases must be done in person. This includes issuing of new urgent matters.

It has been noted that some attorneys erroneously issue or re-issue a matter under a new case number when they intend applying for default judgment in terms of Rule 31(5) or to enrol the matter in urgent court. Attorneys are reminded that every case must be issued once and must run its course under the same case number until finality.

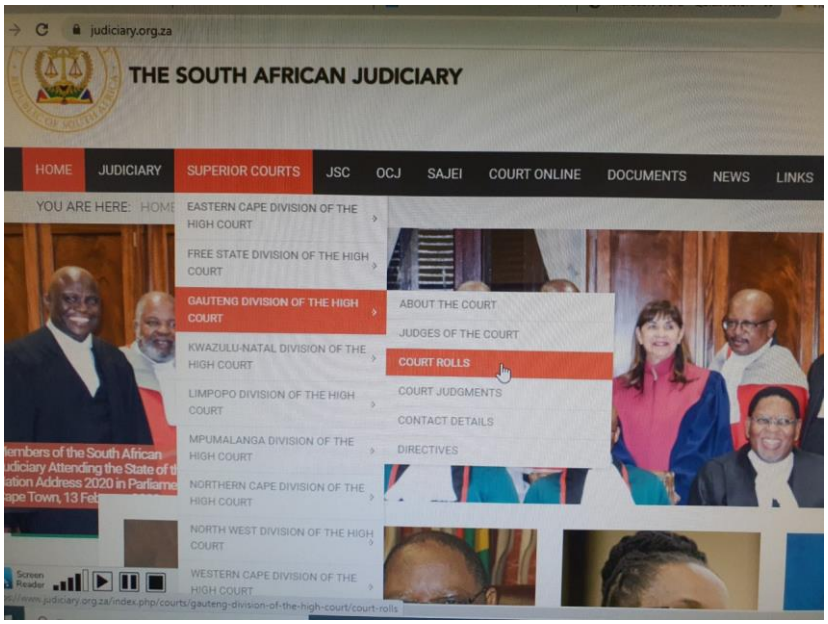
3. Urgent court

Where an urgent case is issued and simultaneously enrolled, the issuing clerk creates the case on CaseLines and invites the applicant and the Judge's Secretary. The applicant must ensure to invite all other legal practitioners involved in the matter. When an urgent matter that was previously issued and already created on CaseLines is later enrolled, the Clerk responsible for the urgent roll must be informed that the case already exists.

The urgent roll closes at noon on a Thursday for the following Tuesday. No urgent application may be enrolled for a date further in the future.

4. Court rolls

Court rolls can be accessed on www.judiciary.org.za (See below image)



Practitioners may also request access to the Daily Rolls folder on CaseLines through the helpdesk per 0861 5000 52.

5. Delayed appeals project

Summary report on the status of the project is attached hereto.
