RE: **PERMITS FOR LEGAL PRACTITIONERS**

We refer to the above matter and to your interview on Morning Live this morning.

As you are aware, the GAA works in association with various voluntary associations and represents a vast majority of Legal Practitioners in Gauteng.

You mentioned this morning that the LPC has been flooded with requests for permits and that there are several practical issues which must be considered before you are able to issue permits. We, as the GAA wish to offer our assistance in any way you would deem appropriate in order for these permits to be issued.

We would also welcome any measures put in place to alleviate the pressure on the LPC and Legal Practitioners alike.

Yours sincerely
