1. Case management conferences set down before Moultrie AJ on Monday, 11 May 2020 will proceed via a single continuous Zoom video conference at 30-minute intervals starting from 10h00 and proceed in order of the roll as per the timetable below. The conference will be recorded by the court.

2. Parties are required to send the name, designated role and email address of each person required to participate in the meeting to BMlaba@judiciary.org.za by no later than 09h00 on Monday 11 May 2020. A meeting invitation will be sent to these email addresses by the Court.

4. Parties must ensure that all the necessary documents pertaining to their case are uploaded to CaseLines as soon as possible. 5. The subject line of all email communications must start as follows "CMC: 11 May: Matter No. [**insert number on the roll**]", followed by the surname of the first plaintiff.

6. Participants are required to enter the videoconference with their microphones muted and their cameras switched off 15 minutes before the allocated time, and are not to unmute their microphones until their matter is called or called upon by the court to do so.

7. In addition to the requirements of paragraphs 86 to 91 of the Judge President's Revised Supplementary Directive dated 24 April 2020, the following will apply to the conference:
    a) Representatives shall not be required to robe. The dress code for all participants shall be business attire.

b) Participants are requested to familiarise themselves with the technology in advance and ensure that they have acceptable internet connectivity.

8. Proceedings will take place as if the matter were taking place heard in a physical court. Representatives must as far as possible take instructions in advance.
