JUDGE PRESIDENT'S PRACTICE DIRECTIVE 2 of 2018

RE: FORECLOSURE MATTERS PENDING THE DECISION OF THE FULL COURT

1. It has come to my attention that there seems to be uncertainty regarding the postponements of foreclosure matters brought before the Gauteng Local Division of the High Court.

2. On 03 May 2018 a Practice Directive was issued pursuant to a Judgment wherein four foreclosure cases were referred to the Full Court. The directive was issued to constitute a Full Court which will deal with the issues surrounding foreclosures in general and going forward to guide the parties in such matters. A copy of the aforementioned Judgment and Practice Directive is enclosed herewith.

3. I therefore direct that all foreclosure matters already enrolled be postponed *sine die* pending the decision of the Full Court.

4. Applications that have been postponed *sine die* and referred to my office are thus postponed *sine die* in line with paragraph 3 above.

5. I also direct that no new matters be added to those referred to the Full Court for consideration as they raise issues similar to those to be dealt with by the Full Court.

6. I further direct that no new matters involving the issues to be considered by the Full Court are to be enrolled until such time as the Full Court has made its decision.

Sincerely,

D MLAMBO
