BEFORE THE HONOURABLE MS ACTING JUSTICE G. GOEDHART AJ

Secretary: *Antoinette du Toit*

ADuToit@judiciary.org.za

PLEASE NOTE

1. There shall be no physical appearances. All matters will be heard via Microsoft Teams, unless specific arrangements are made by the Presiding Judge pursuant to receipt of a practice note wherein a physical hearing is requested.
2. Parties appearing in person, without access to the electronic platform, are directed to court GC where they will be assisted by the secretary of the Presiding Judge.

As per Item 1.1 of Directive 3 of 2022- on an allocation of a hearing date in a court online matter, the matter is instantly placed on the roll (which is final). Practitioners' are advised to properly create on online bundle in preparation for the hearing of the matter and to as well avoid the removal of the matter from the roll and last minute (prohibited) duplication of matter(s) between the court online and case lines systems.

3. Practitioners are advised to promptly create an online bundle in preparation for the hearing of their matters to avoid removals from the roll and last minute duplication of matters between the CaseLines and Court Online system. Please create bundles on the Court Online system so that court documents can appear on CaseLines.
4. Practitioners run the risk of having their matters removed from the court roll in the event of non-compliance with directive number 3 on page two of the court roll.
5. The hearing will commence at **10:00**.
6. Matters will be called by number, but where a practitioner has more than one matter enrolled, all those matters may be called immediately after their first matter.
7. It is the responsibility of counsel to ensure that the draft order uploaded electronically is in the correct format. Please ensure that the name of the Presiding Judge as well as the correct case number is inserted in the draft order.
8. It is suggested that practitioners insert the following prayer into their draft orders: "The marriage between the parties is dissolved by divorce".
9. The wording of the draft order must state the date on which the settlement agreement was concluded, if any, and refer to it as "X" and a copy of the signed settlement agreement (marked as "X1") must be uploaded directly after the draft order.
10. Parties may upload a revised draft order together with the marked settlement agreement prior to the matter being called in court.
11. Draft orders which are not in the correct format and settlement agreements that are not clearly identifiable will result in the delay of draft orders being signed and uploaded electronically.
12. Amendments are highlighted in red.

As per Item 1.1 of Directive 3 of 2022- on an allocation of a hearing date in a court online matter, the matter is instantly placed on the roll (which is final). Practitioners' are advised to properly create on online bundle in preparation for the hearing of the matter and to as well avoid the removal of the matter from the roll and last minute (prohibited) duplication of matter(s) between the court online and case lines systems.

13. For any queries, please send an email to ADuToit@judiciary.org.za.
