DIRECTIVES

1. **The attorney for Plaintiffs, in all matters on the Case Management Conference Roll, that bear a case number prior to and including 2017, are required to file an affidavit setting out fully all reasons as to why the matter was not as yet brought to finality, given that this matter was issued out of this court more than 4 years ago.**

2. **Such affidavit is to be uploaded onto caselines on or before 09h30 on the day that the matter is to be heard online. The matter will not be entertained until such time as the explanation is forthcoming and runs the risk of being struck off the roll.**

3. **In all matters where the plaintiff was a passenger of a motor vehicle and the issue of liability remains in dispute, the plaintiffs' attorney is to email the relevant claims handler at the Road Accident Fund calling on them to make themselves available on caselines, either personally or by representative, at 10h00 on the day that the matter is to be called, should the issue of liability not be settled by such time**
