JOHANNESBURG DEEDS OFFICE TRACKING FORMAT

Dear Members,

1. Following the monthly meeting with the Registrar of Deeds South Gauteng attended by the JAA and a subsequent letter by the JAA addressed to the Chief Registrar of Deeds (CRD), regarding the redacted format of the Deeds Registration Tracking System, which became applicable without warning earlier this year, we wish to report as follows.

2. The office of the CRD has agreed to revert to the previous format of the tracking system, so that third party service provider platforms, are once again enabled to view all stages of deeds moving through the deeds registration system.

3. It may take a short period to align this change with all these platforms.

4. We acknowledge the effort by the legal fraternity to bring about change which affects our members and the public and upholds the interest of various stakeholders.

Yours sincerely,
JOHANNESBURG ATTORNEYS' ASSOCIATION
