- Group bookings available
- Contact us for pricing
- Early bird discounts available

THE CONFERENCE

The day will be a blend of keynotes from some of our leading experts, including panel discussions and fireside chats.

Here is a snapshot of the topics to be covered. If you would like to participate as a keynote speaker or panellist please reach out to the team at **info@lti.institute**

Setting The Scene

Opening remarks
Setting the scene of the LegalTech landscape in South Africa, and the surrounding region

Digital Transformation & Law Firms

Recent stats show that almost every inhouse lawyer surveyed believes that they will use legal technology everyday in five years time.

Access to Justice

Can technology be a tool for positive change or a barrier? Join us for a keynote and discussion on how technology is impacing the access for justice landscpae

The Legal Department: Adopting Change

Being trained in how to effectively use new and existing technologies will increase productivity.

Legal Platform For The Future

Lawyer 2.0: Inhouse Perspective

Legal technology is ensuring that you now need more than just core legal skills to be an effective lawyer.

Panel: Legal Skills of The Future

It will become increasingly difficult to perform as a lawyer without a better understanding of technology. Join some of LTIC faculty and regional experts in what will be an exciting and insightful discussion

Latest Trends

It is important to understand what is happening across the legal technology ecosystem whether inhouse or private practice.

LegalTech Tools

Dive into some live use cases of how technology is making a difference in the legal industry.
How firms are benefiting from innovation and technology

The Speakers

The conference will host a stellar list of experts from law and technology.

We will not only introduce some of the LT&I's leading global faculty such as Christina Blacklaws, but also ensure ample regional coverage with local legal technology thought leaders and experts.

You will have the opportunity to interact with the speakers on key topics throughout the day. Additionally you get to network with your peers from law firms and inhouse teams across the region to discuss successes and challenges across the transformation journey.

Email us at ***info@lti.institute*** to discuss any further enquiries you have

- Group bookings available
- Contact us for pricing
- Early bird discounts available

We will continue to add keynotes and panels across hot topics within the legal technology space. Some of the speakers confirmed so far include...

Christina Blacklaws

Head of Faculty – LT&I

Former President of the Law Society of England and Wales, and head of faculty for the LT&I. Christina chairs the Lawtech UK Government panel amongst being part of many other global bodies. A true global leader in the innovation and technology space, as well as a champion of diversity, having mobilised an unprecedented global campaign to address lack of women leaders in profession.
