Adv Mark Morgan,

IMPROVED WRITS MANAGEMENT: SERVING OF DOCUMENTS ON THE ROAD ACCIDENT FUND (RAF)

1. During the previous fiscal year, the RAF received numerous writs of execution orders, which were served at RAF offices to seize assets based on court judgments in favor of the plaintiff.

2. The majority of these writs are served on RAF offices to officials who lack the authority or mandate to act on them, and some documents are not brought to the attention of relevant officials or RAF management, resulting in no action being taken.

3. Based on the above, it is evident that the RAF is unable to comply with court rules and/or directives to protect its rights.

4. To address these challenges, the RAF has decided to centralize the serving of writs of execution on the RAF at central hub mailboxes with dedicated personnel responsible for processing all received documents.

Board Members: Ms Thembelihle Msibi (Acting Chairperson), Mr Hilmi Daniels, Ms Lorraine Francois, Dr Nomonde Mabuya-Moloele, Mr Lusani Mulaudzi, Mr Khotso Mothobi, Mr Moses Nyama, Dr Maria Peenze, Mr Thulani Tshabalala, Mr Mokoditloa Moemi (Director General of Transport)

5. The mailboxes are only dedicated to **serving of writs of execution and no other legal dcument may be served on the said mailbox**. The relevant central hub mailboxes listed below are effective from 04th May 2023:

#	AREA	Email Address
1.	Head Office/Centurion	writs.HO@raf.co.za
2.	Menlyn	writs.PTA@raf.co.za
3.	Johannesburg	writs.JHB@raf.co.za
4.	East London / EC	writs.EL@raf.co.za
5.	Cape Town / WC	writs.CPT@raf.co.za
6.	Durban / KZN	writs.DBN@raf.co.za

6. It is preferred that all writs of execution be served physically at the following physicall address:

The Road Accident Fund
c/o Writs Management Unit
Eco-Park Estate 2
420 Witch Hazel Avenue
Centurion
0046

7. It is essential that all sheriffs serving writs of execution on the RAF ensure that:
   - There must be a valid judgement liability (court order). The RAF has experienced instances where fraudulent court orders are presented as legal obligations from court rulings.
   - The warrant of execution is valid and enforces legal obligations of the RAF.
   - The debt or other obligation of the RAF, which is to be enforced by the sheriff, is specifically set out in line with the court order.
   - Any other obligation, including sheriff fees or interest due must be stated separately from the obligation of the court order.

- ❖ Instructions to execute from judgement creditor are valid and active.

8. Kindly ensure that your serving of documents is addressed to the correct central hub email address as failure to do so will result on your served documents being void.

We trust that you will find the above in order and we are looking forward to your cooperation in this regard.

Yours sincerely
