3	2019/33476	EXTRA DIMENSION 44 (PTY) LIMITED VS DEVCOR INVESTMENTS (PTY) LIMITED Plaintiff: Adv E Fraser Defendant: Adv E Coleman Nature of dispute: The plaintiff is seeking payment (together with interest thereon and costs) from the first defendant, as contractual holding over damages, for the period April to September 2019, on the basis of the first defendant's breach of a lease agreement, and which lease agreement was validly cancelled. The joint and several liability of the second defendant is predicated on a surety and co-principal debtorship that forms part of the lease agreement. The first defendant denies the plaintiff's locus standi to sue on the lease agreement. The first defendant also denies that (1) it was in breach of the lease agreement at all, (2) that the plaintiff was entitled to cancel the lease agreement, and (3) that it was unlawfully holding over. The first defendant also denies that (1) the amount claimed by the plaintiff is due or owing at all (or any lesser amount), and (2) contends that the amount claimed has been incorrectly calculated. The first defendant also contends that it is entitled to a credit in terms of the lease agreement due to a small portion of the leased premises not being usable. The first and second defendant thus seek the dismissal of the plaintiff's claim with costs. Estimated duration: 1 day to argue the point on the plaintiff's lack of locus standi only. The plaintiff brought proceedings before the CCMA. A settlement agreement was concluded.
