Dear Members

CITY OF JOHANNESBURG: RATES CLEARANCE DEPARTMENT

The Property Committee of the JAA has been engaging extensively with the rates clearance department at COJ with a view to trying to assist the COJ and practitioners in troubleshooting issues that have arisen as a result of the COJ's difficulty with loadshedding, and its IT infrastructure.

At present time, the COJ's rates clearance department is up and running.

The COJ has asked us to reiterate that practitioners are please to utilize the online rates clearance portal and refrain from sending runners/correspondents to manually lodge applications.

The reasons being that:

i. Manual applications are open to fraudulent dealings more than electronic ones are; and
ii. Due to loadshedding, and various other infrastructural challenges, the offices of the COJ are not always operational or fully operational, and this may cause delays in the processing of manual applications;

The JAA thus encourages practitioners to utilize the online rates clearance platform rather than applying manually.

Any enquiries in relation to the above can be directed to Gladwin-wood@schindlersattorneys.com or caren@gsutherns.co.za .
