A message from the Johannesburg High Court – Unopposed Motion Enrolment

The unopposed motion office is currently allocating provisional enrolment dates at 2 August 2021.

A trend had been noticed that, after applying for a provisional date, 40% of practitioners fail to do final enrolment without any indication to the court that they no longer require the date. A further 15% of practitioners would like to keep the dates allocated, but through failure to comply with the 18 September 2020 Consolidated Directive, their matters are not finally enrolled.

We urge practitioners to comply with the Directive.

We further request that practitioners who do not intend to use the dates allocated to them during June and July, make a widely shared note to that effect on CaseLines; and as a once-off effort to clean up the provisional roll, to also alert the court by filling in the Register for Forfeiture of an Allocated Date which will be available outside the entrance (main doors) of court only for the period 3 to 7 May 2021.

The cooperation of practitioners will assist greatly to avoid provisional dates going beyond 4 months.

The JAA Deeds Linking Office

The JAA will have printers available for use in the linking office from the 1st of May 2021. Thank you to all members and firms for their support in this regard.
