JAA DATABASE CLEAN UP

The Johannesburg Attorneys Association (JAA) are in the process of a massive database purge and some members were incorrectly emailed a letter of demand on 06 May 2021.

We sincerely apologize for any inconvenience caused and note that while the amount mentioned in the email is correct according to our records, the demand was not relevant in many cases.

We are in the process of responding to the relevant parties personally and treating this with the utmost urgency. Please bear with us as we are dealing with large volumes.

Thanking you and should you have any queries, please do not hesitate to contact me.

Kind regards
