INVITATION

DIALOGUE 1

ProBono.Org cordially invites legal practitioners to participate in the first session of our series of short dialogues to be conducted via Zoom.

These dialogues create a platform for recently admitted and young legal practitioners to engage with each other and with more experienced colleagues in a series of dialogues spread over the year.

The first dialogue will deal with **the lessons of practice we can only learn the hard way**. We invite you to compare and share your experiences with those of the facilitator and your colleagues.

Date: Friday 8 May 2020

Time: 11:00 – 13:00

Facilitator: Jonathan Small, Ramsden Small Attorneys

(The Zoom link and password will be sent to registered participants via Google calendar)

Please RSVP by 12:00 on 5 May 2020 to given@probono.org.za
