IN RE: REVISED MOTION COURT DIRECTIVE - 12 OCTOBER 2015

Kindly note that section 9.8.2 – 5 of the Revised Practice Manual is replaced with the following provision:

» 5. Unless condonation is granted on good cause shown by way of written application, failure on the part of the applicant to deliver heads of argument and/or a practice note will result in the matter being struck from the roll with an appropriate order as to costs; and failure on the part of the respondent to deliver such documents will result in the Court making such order as it deems fit, including an appropriate order as to costs. The failure to timeously serve and file heads of argument shall not constitute a ground for postponement of an application.

The change is effective from 1 January 2016.

Yours faithfully

D Mlambo
Judge President
Gauteng Division of the High Court
Of South Africa
