The Future Reimagined

BIOGRAPHY: AZHAR AZIZ ISMAIL

Azhar is a Knowledge Manager developing and managing the Knowledge Department at Clyde & Co and represents the Gauteng Attorneys Association (GAA) and Johannesburg Attorneys Association (JAA) as their youngest executive member, heading the Knowledge, Legal Technology & Innovation portfolio of the Johannesburg Attorneys Association. He is a faculty member of the Legal Technology & Innovation Institute (LT&I), which delivers the global Legal Technology & Innovation Certificate (LTIC). Last year, Azhar was instrumental in launching the inaugural LawTech Live Conference in South Africa with the London-based Legal Technology & Innovation Institute and LexisNexis.
