9 February 2023

Dear Members,

1. Following on the Magistrates Court liaison meeting on 9 February 2023, we wish to bring the following to our members' attention:-

    a. The procedure to apply for a trial date still remains in place and members should follow the guidelines and complete the forms accordingly to apply for a pre-trial date. We enclose the forms for ease of reference.

    b. Should a matter be referred for Judicial Case Management, a letter must be addressed to the Clerk and Senior Magistrate with the request and reasons therefor.

    c. Security outside of Court was addressed and this will be looked into and escalated to the security clusters.

    d. We are awaiting a list in respect of sheriff appointments, especially in regard to Westonaria, Fochville, Oberholzer and Randfontein. We shall distribute the list as soon as it is to hand.

2. We want to encourage our members to kindly engage with our office on problems experienced / issues to be addressed to ensure that all stakeholders work together to improve the system.

Regards,
